

An aerial, black and white photograph of a city, likely Barcelona, showing a dense urban grid. A semi-transparent architectural plan is overlaid on the city, showing a network of streets and blocks. The plan is centered on a specific area, likely the Sagrera neighborhood, and shows a mix of existing and proposed structures. The text is overlaid on the plan in the upper-middle section.

BARRI-PARC-ESTACIÓ

Reinterpretació urbana de la  
nova estació intermodal de La Sagrera
