In a first phase the project seeks to establish a new access path and a new park to facilitate access to the Corrala. The project involves the following:

- Intervening in public spaces to facilitate the use of public spaces.
- Improving pedestrian zones.
- Creating two pedestrian paths from the Plaza San Jorge to the Mirador and from the Mirador to the Plaza San Jorge.
- Creating new access paths to the Corrala.
- Creating a new park and pedestrian zone.
- Creating a new pedestrian zone along the Plaza San Jorge.

In the second phase, the interventions are divided into three main areas:

**FASE 1: ACCESIBILIDAD Y APARCAMIENTO**
- Creating a new pedestrian path from the Plaza San Jorge to the Mirador.
- Creating a new park and pedestrian zone.
- Creating a new pedestrian zone along the Plaza San Jorge.

**FASE 2: EL PARQUE EQUIPADO, REVALORIZACIÓN PAISAJÍSTICA DE LA LADERA, Y ACCESIBILIDAD PEATONAL**
- Creating a new pedestrian path from the Plaza San Jorge to the Mirador.
- Creating a new park and pedestrian zone.
- Creating a new pedestrian zone along the Plaza San Jorge.

**FASE 3: UNA NUEVA PUERTA DE ESCALA TERRITORIAL**
- Creating a new pedestrian path from the Plaza San Jorge to the Mirador.
- Creating a new park and pedestrian zone.
- Creating a new pedestrian zone along the Plaza San Jorge.
