This image shows a paved path or driveway curving to the right. A low, rectangular stone wall runs along the edge of the path. In the background, there's a building with light-colored walls and several windows. Bare trees are scattered throughout the scene under a cloudy sky.

SUB: AVINGUDA BEL CARRIL

A panoramic photograph showing a wide road on the left leading towards a large, modern industrial complex with several white buildings and a prominent blue sign featuring a white 'A'. The sky is filled with heavy, grey clouds. In the foreground, a blue arrow points upwards and to the right, indicating the direction towards the building.

EST: C/ PERE SERRA

A panoramic photograph of a paved area, likely a plaza or park. The foreground is a paved surface with a textured pattern. To the left, there is a low wall made of large, light-colored rectangular blocks. A blue arrow points upwards from the bottom left towards the center, with the letter 'E' at the top and 'N' at the bottom. In the background, there is a row of trees with bare branches, suggesting it might be autumn or winter. Further back, there are buildings and a clear blue sky with a few wispy clouds.

The image is a vertical collage of four photographs:

- Col·legi La Farga**: A view of a modern school building with orange and grey walls, a large glass entrance, and a metal fence. It is situated next to a road with a dashed white line.
- Estació FGC Mira-sol**: A view of a train station platform with a blue roof and a concrete wall. In the background, there is a tall, cylindrical industrial tower with horizontal stripes and a small building with a red roof.
- Tunels de Vallvidrera**: An aerial photograph showing a highway curving through a green, hilly landscape. The highway has a solid yellow line on the left and a dashed white line on the right. The surrounding area is densely forested.
- Aerial View**: An aerial photograph of a residential area with numerous houses and streets. A blue rectangular box highlights a specific area in the lower-left corner, which corresponds to the location shown in the third image.

10 of 10

An aerial photograph of a residential neighborhood. The area consists of numerous houses arranged in a grid pattern, with streets forming a network of paths between them. A prominent feature is a large, open green space, likely a park or sports field, located in the lower-left quadrant. A circular blue outline highlights a specific building complex within this green area. The surrounding houses are mostly single-story structures with dark roofs and light-colored walls. The overall scene is a typical suburban residential area.

100

An aerial photograph showing a dense urban area with numerous buildings and streets. A prominent feature is a large, irregularly shaped green field located in the lower-left quadrant of the image. This field is highlighted with a yellow overlay, indicating its significance. The surrounding area consists of a mix of residential buildings, some larger industrial or institutional structures, and several roads. Two blue circular markers are placed on the image: one on the left side pointing towards the green field, and another on the right side pointing towards a specific building complex.
