Interactive activities for families and kids

Railway Museum of Catalonia

Founded in 1972

One of the greatest train collections of Europe

Preserves the legacy of trains used in Spain

OBJECTIVES OF THE PROJECT:

Create activities that are:

- Entertaining for children
- Educational for the visitors
- Attractive for families
- Adaptable to the current situation

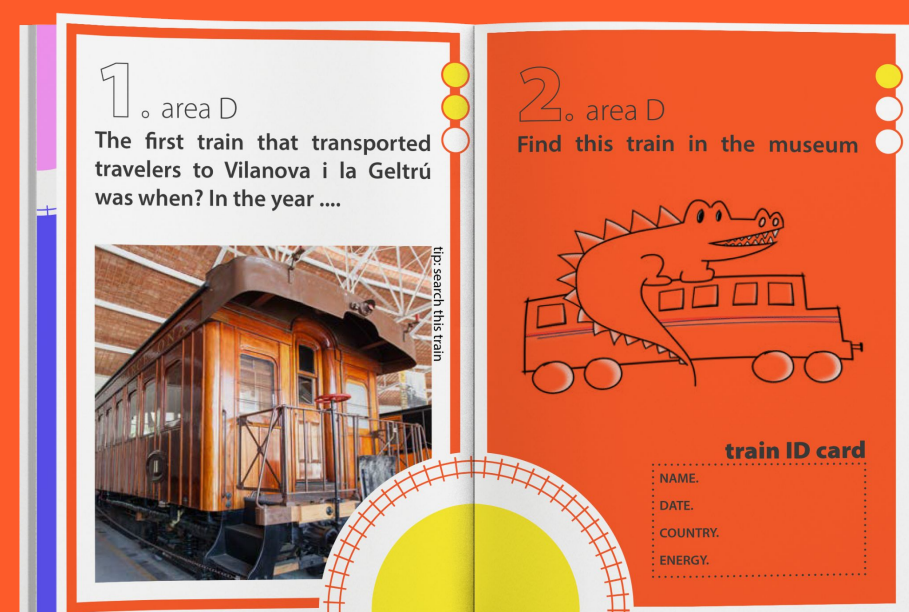

HOW HAVE WE ACCOMPLISHED THEM?

At the museum:

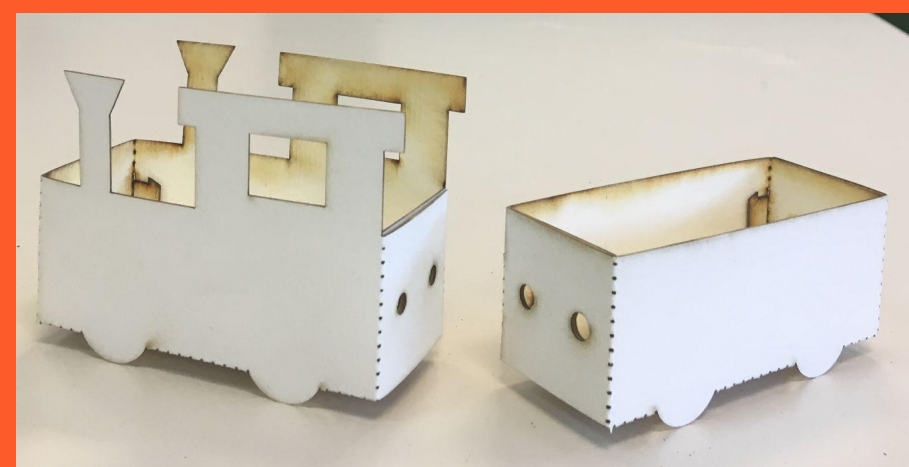

- Booklet with a set of missions
- Buildable 3D Train

Online games

- Quizzes and mini games playable on the museum's webpage.
- Adaptable to the pandemic.
